

CHILD FSP: Referral Beginning with Navigator AUTHORIZATION SRTS WORKFLOW

Note #1: Providers not pursuing FSP authorization must discuss the case with the Navigator to determine whether a disposition should be entered (i.e. close the record) or transfer the record back to the Navigator or another agency to ensure linkage.

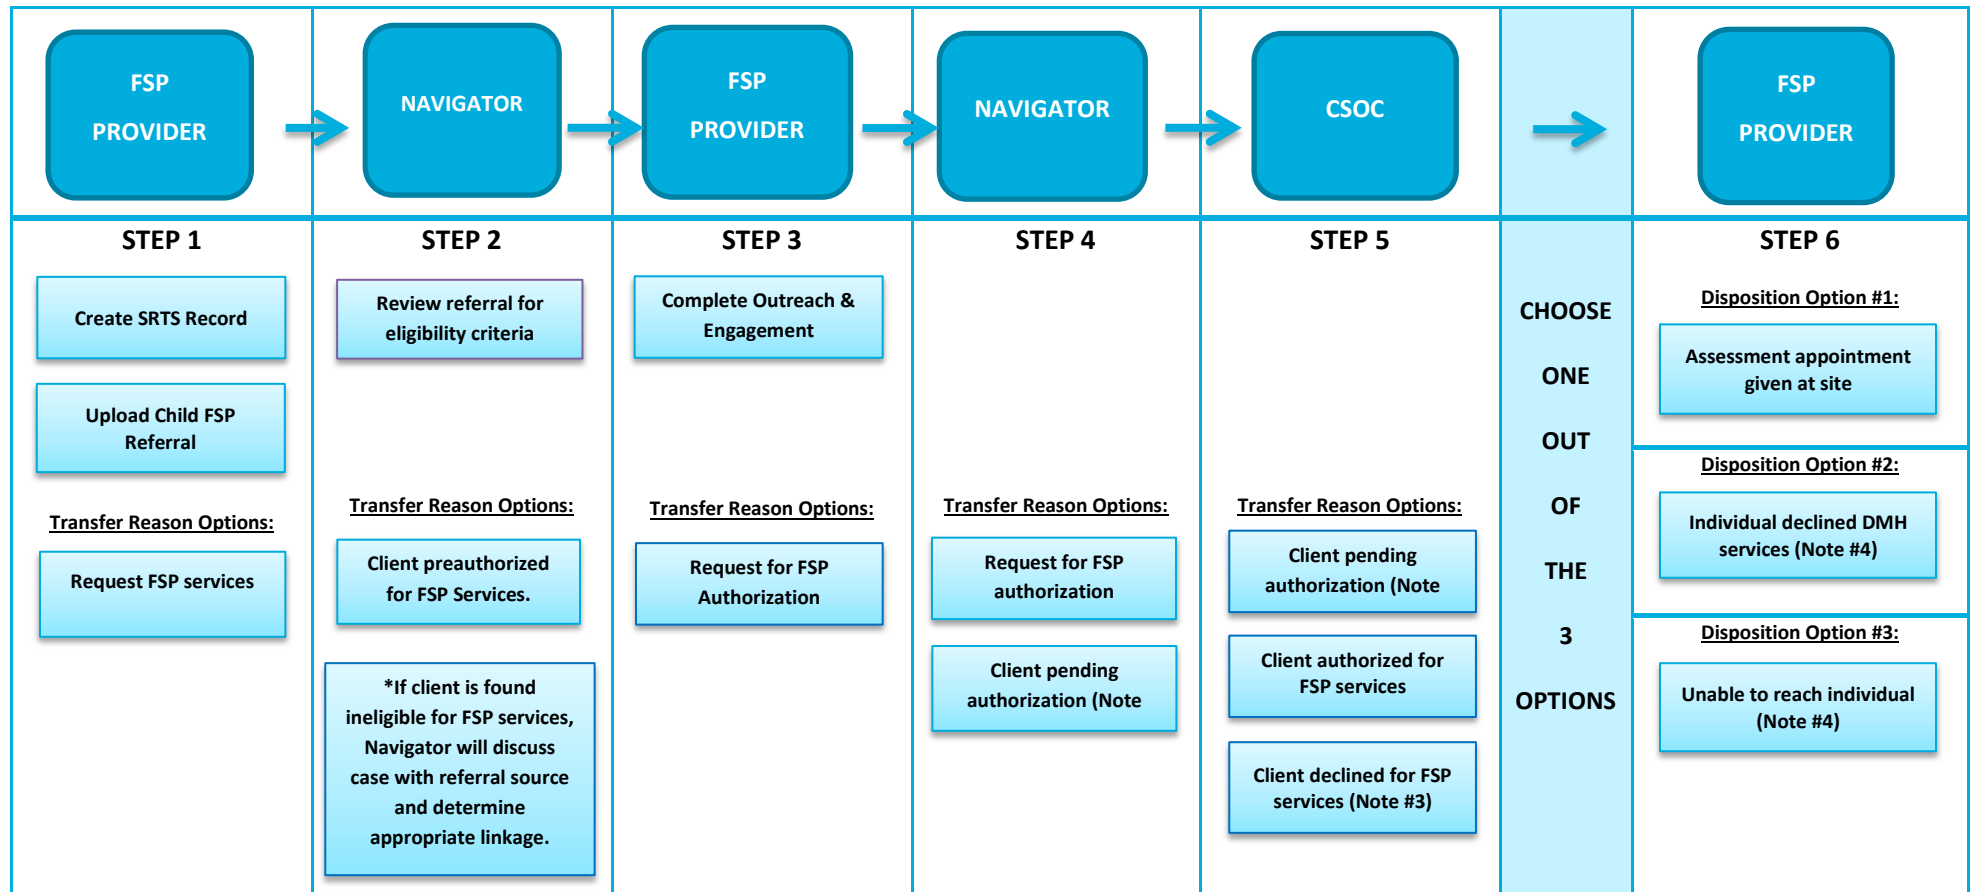

Note #2: If the Navigator or CSOC needs additional information to determine approval for FSP, they can transfer the record back to the FSP provider with the transfer reason of **"Pending FSP authorization"**. The Provider/Navigator then provides Navigator/CSOC the needed information and requests FSP authorization (Step 3) or informs Navigator/CSOC if client declined FSP services (See Note #1).

Note #3: If a request for authorization is declined, CSOC will transfer the record back to the Navigator for linkage. Navigator will discuss linkage with FSP Provider.

Note #4: If the FSP Provider selects anything other than **"Assessment appointment given at site"** as a disposition, they must discuss the case with navigator and consider Disenrollment or Inactive Status.
